Hazelnut Quick

Jung Haselnuss-Quick

Jung Quick Hazelnut offers the flavour of freshly roasted hazelnuts. The high content of roasted, roughly chopped and ground hazelnuts creates moist hazelnut fillings and toppings that remain particularly firm when baked. It has a characteristic nutty quality. The basic mix makes it possible to bake a wide range of nutty specialities, such as long, plaited nut buns, nut squares and filled Danish pastries. And what is more, the hazelnut fillings and toppings are satisfying due to their continued moistness and freshness.

Jung Haselnuss-Quick

Mix for the preparation of hazelnut fillings.

Recipe

1000 g Jung Haselnuss-Quick
600 g milk/water

Method

Stir the ingredients and let them rest for 15 minutes.
Ready to use filling.
