Poppy seed filling

Mohn Quick

Jung Mohn Quick

For lovers of the naturally strong flavour of poppy seeds. High-quality blue poppy seeds from the best growing areas are used to produce Jung Mohn Quick poppy seeds. – The basic mix for the efficient preparation of bake-resistant poppy-seed dough. It can be made with either milk or water. Long-lasting moistness of the fillings in the cakes is guaranteed. Jung Mohn Quick is furthermore extremely suitable for cakes prepared with dough retarder. Jung Mohn Quick is just right for anyone looking for that typical, pronounced poppy seed flavour.

Jung Mohn Quick

Poppy seed filling.

Recipe

1000 g Jung Mohn Quick
